RECORDED

IN THE MATTER OF:

Application of Wyboo Plantation
Utilities, Inc. for an Increase in Its Rates
And Charges for Water and Sewer Service

PETITION TO INTERVENE

The Wyboo Plantation Owners Association, Inc. (Petitioner) hereby petitions the South Carolina Public Service Commission (Commission) pursuant Rule R. 103-836 of the Commission's Rules of Practice and Procedure, to intervene as a party of record in the above-referenced Docket. In support of this Petition, Petitioner states the following:

1. On January 7, 2005, Wyboo Plantation Utilities, Inc. (Applicant) filed an Application with the Commission seeking a new schedule of rates and charges for water and sewer service for its customers in Clarendon County, South Carolina.
2. The Commission has assigned Docket No. 2005-13-W/S to this matter.
3. Petitioner is a South Carolina non-profit corporation organized for the purposes, inter alia, of providing representative self-government to the owners and residents of the Wyboo Plantation community and ownership, maintenance and use of the community's common properties for the benefit of the owners and residents of the Wyboo Plantation community.

RETURN DATE: OK D. Duke
SERVICE: OK D. Duke

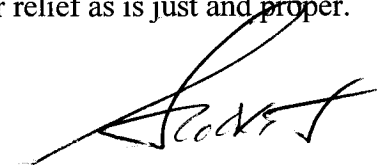

4. The Petitioner's common properties owned, maintained and used by the Petitioner include facilities for which Petitioner purchases water and sewer service from the Applicant.
5. Petitioner is authorized to take such actions as are necessary for the health, welfare, safety and common good of the association and is so authorized to intervene in this matter.
6. Petitioner would intervene herein in its representative capacity on behalf of the owners and residents of the Wyboo Plantation community who are water and sewer service customers of Applicant and in its individual capacity as a water and sewer service customer of Applicant; accordingly, Petitioner has a direct and material interest in the issues to be addressed and resolved by the Commission in this Docket. Petitioner would oppose the application filed by the Applicant for adjustment in rates and charges for the provisions of water and sewer service and would oppose any rates and charges requested which are not just and reasonable nor based upon sound and verifiable cost analysis.
7. Petitioner intends to present testimony and exhibits at any evidentiary hearing before the Commission in this Docket. Because the issues are only generally defined at this preliminary stage of the proceeding, Petitioner is unable to give a reliable estimate of how much time it would require to present its evidence at a hearing. Petitioner would anticipate calling as many as three (3) witnesses and should require no more than two (2) hours to present its evidence; however, Petitioner will provide a more accurate estimate prior to the commencement of any hearing.
8. Petitioner's address is: Wyboo Plantation Owners Association, Inc.; 100 Recreation Drive; Manning, South Carolina 29102.

9. In accordance with Rule R. 103-804 (s) of the Commission's Rules of Practice and Procedure, Petitioner is represented by counsel in this proceeding:

Telephone: 803-771-0555

WHEREFORE, Petitioner prays for the following relief:

- a. That this Petition to Intervene be accepted and that Petitioner be made a party of record;
- b. That Petitioner be allowed to participate fully in this proceeding and take such positions as it deems advisable; and
- c. For such other and further relief as is just and proper.
